

# We're helping the community with money raised from bag charges

We are donating £270,641 to charities and good causes in Wales from the sale of 5p carrier bags 2014/2015.

We've listened to feedback from customers and colleagues, which is why this year we've chosen to support charities and good causes that benefit people and communities in Wales.

The Community Foundation in Wales is a unique charity which promotes and manages philanthropy. Their mission is to strengthen communities in Wales by awarding grants to projects that make a sustainable impact on local needs.

Customers pay 5p per bag at all our stores in Wales following compulsory charges brought in by the Welsh Assembly in 2011. We donate the full 5p charge (less VAT) to our chosen charities and good causes.
